Kids aren't the Only Ones Having Fun with their Horses!

We're a riding club for the 21+ set. We welcome english riders, western riders, endurance riders, dressage enthusiasts, jumpers, hunters, trail riders, eventers, everyone with a love of horses and a desire to have fun and learn more.

We're national! You may have read about us in *Practical Horseman* or on-line at one of the many educational equine interest sites. Look us up on the web:
